Dealer's Iris List *1946*

To the Trade—

During the past two or three seasons we have been unable to supply Irises at wholesale because our own retail demands absorbed all stock. This year we are in a position to offer a limited number of varieties in small wholesale quantities. Stock of others is so short that we will not have enough to fill retail catalog orders, and no discount on these varieties can be given.

Many of you who receive this list have been wholesale customers of long years standing. It is our desire to cooperate with you to the fullest extent of our ability and to this end we offer a 25% discount on a rather long list of varieties aside from those listed as "net" and others at special wholesale quotations.

In placing your orders, please adhere to the prices indicated in the three categories **WHOLESALE, 25% OFF CATALOG and CATALOG NET PRICE.**

We do not wholesale bulbs such as Tulips, Daffodils or Hyacinths.
